Compeau Trail	Open	Trace-2"	36"-54"	

Average snow depth is recorded uncompressed.

If you plan to use the trails, please be prepared for and have the gear for changing conditions to include degrading trail conditions, blowdowns/fallen tree limbs, open water, overflow ice, and more. Winter recreation, trail use, and all ice crossing safety is not implied and at the risk of the individual.

Be prepared for winter driving conditions on Chena Hot Springs Road, especially beyond Pleasant Valley.
